PROFILE

I believe in life-long learning and I aspire to provide to my community through my extracurricular and academic achievements. I have always been sophisticated by biological and chemical research and I hope to pursue a career in such fields in the future.

EXPERIENCE/PROJECTS

► **ALUMNI | Victim Services Toronto (T.E.A.R Youth)**
June 29, 2023 - PRESENT

As a graduate from the T.E.A.R Youth program, I am in a position in which I provide guidance and educate new T.E.A.R Youth leaders about my experience within the program.
- Participate in the monthly Twitter-based "T.E.A.R Talk"
- Attended the Alumni Q&A Seminar in August 2023

► **MENTOR | Youth Dream Canada**
March 3, 2022 – PRESENT

I have taught high-school students about the skill of computer programming. Currently, I teach English to prospective Canadian immigrants as a part of the New Horizon Program.

► **YOUTH LEADER | Victim Services Toronto (T.E.A.R Youth)**
September 21, 2021 – June 29, 2023

As a T.E.A.R Youth leader, I strive to promote healthy relationships and cybersecurity for teenagers in modern society.
- Helped organize the monthly Twitter-based "T.E.A.R Talk"

► **CANCER-AI | Personal Project**
April 2023 – PRESENT

I created a web application to showcase the use of AI for cancer diagnosis, using a barebones AI21 language model and Node.js.

AWARDS

YORK SCIENCE SCHOLARS AWARD – 2023
BOBBIE MCMURRICH YOUTH LEADERSHIP AWARD – 2022
